WINE BIKE

♣ Cycling Tours in Historic Murphys ♣

Randonnee: An adventure on a bike, bicycling excursion, bike stroll to enjoy the views, fresh air, good companionship...

Join us for a "Randonnee" Adventure & Experience the Vineyards Up Close

There's no better way to tour the vineyards near the charming town of Murphys than from the seat of a bicycle. As you pedal past rows of gentle rolling hills and pastoral vineyards of Calaveras County, you'll enjoy a refreshing sensory experience that simply cannot be achieved from a car.

You will pedal in a small group led by GetOnYourMARK owner and Cycling Coach Shelley Marenka, visiting wineries you otherwise might miss, and talking directly with the owners and winemakers! Your tour group will enjoy a catered gourmet picnic lunch, served overlooking the vineyards or on the wine tasting grounds.

The pace of our bike tours is catered to recreational cyclists, so it's okay if you're not someone who rides frequently. Groups will be split up according to abilities so you'll be matched with others at your level. Before you get rolling, we'll ensure that you're completely comfortable with the fit and handling of your bike.

With a casual pace and frequent stops, the emphasis is on enjoying the scenery and having a **"randonnee adventure"**.... discovering boutique and family-owned wineries along the way. An afternoon of wine tasting in Historic Murphys follows your vineyard cycling adventure. Taste the fruits of our hand-crafted local wines, your reward for all that healthy exercise!
